

Board Meeting 2016-10-26 6:30 PM

Attendees: Bonnie, Todd, Peter, Elaine.

Minutes from 9-26:

Accepted the minutes (3-0)

Financials: Reviewed the financials from the previous periods.

Siding Update:

Building C is finishing up. Building D will start Tuesday or Wednesday (11/1 or 11/2)

Question came about gutters on the attached sheds (on buildings that do not have bulkheads), which were not part of the original contract. Agreed 3-0 to have the gutters done on them. Blair can review when he gets back, since nothing needs to be done on this for some time.
